PRINCIPAL’S REPORT …

IT’S BEEN A BUSY FORTNIGHT! My apologies for not getting our fortnightly newsletter out prior to today but there has been so much happening and there is a lot of information to report.

IT’S BOOK WEEK! YIPPEE! It’s Book Week and with our theme for 2015 being ‘Books Light Up Our World!’ the students have been asking me … “Who are you coming as this year Mr Fuhrmann?” I tell them they will just have to wait until this Friday to find out.

Some of our amazing book characters from last year!

A reminder that our 2015 Book Week Parade will start in the school hall at approximately 9.15 am and all families are welcome to attend and join us for our Book Week celebrations.

SPECIAL VISITORS … Special visitors on Friday morning will be Hastings’ Librarians Mrs Virginia Cox and Mrs Elizabeth Robinson. They will be showing the students some of the books that were nominated for this year’s Book Week awards and announcing the winners.

Isabella Paulson helping Mrs Elizabeth Robinson who visits us regularly in the Mobile Library Van.

BOOK FAIR … A BIG thank you to all families who have purchased and supported our 2015 Book Fair. Tomorrow is the final day to inspect and purchase the books on display so please make sure you or your children have a look at the great selection that we have on offer. Prices start from as low as $2.00. Special thanks to Mrs Rachel McCann for not only organising the Book Week activities and special visitors but also organising the Book Fair. It was greatly appreciated!

SPECIAL BOOK WEEK LUNCH ORDER … Many thanks to Mrs Jessica Cunningham for organising a special Book Week Lunch Order for everyone. It certainly will help to make our Book Week Parade in 2015 a memorable one. It’s great to see so many of our students supporting the canteen and ordering their healthy lunches every day.

Please note: Celery is NO longer available as an added extra for lunch orders! (I know a lot of students won’t be disappointed by that decision!) There will also be no lunch orders available on the last two days of this term.
IT SHOULD BE BOOK WEEK EVERY WEEK! Why? I can’t stress enough how important daily reading is because … “Students who read – do succeed!”

Mrs Liz Wilmot who visits us every Tuesday has been really impressed by the students’ excellent oral reading in the Upper Primary Classroom.

IT’S SASS RECOGNITION WEEK … Next week it’s SASS – School Administrative and Support Staff Recognition Week. Our school couldn’t function without our wonderful SASS staff. Whether they work in the office, school grounds or in a classroom setting our SASS staff are not only important contributors to the overall success of our school but they also play an important role in the welfare and success of your children.

Our wonderful SASS staff includes our School Administrative Manager (SAM) Mrs Merridy Golding, our School Administrative Officer (SAO) Mrs Cheryl Carpenter, our General Assistant (GA) Mr David Anderson, our cleaner Mrs Gwen Ellis and our School Learning Support Officers (SLSO’s) Mrs Madeleine Besseling and Mr Jared Alexander.

Also a special mention and thank you to our retiring SAM, Mrs Wendy Trotter and Mrs Claire Fewster who has been a wonderful addition to our school’s teaching staff throughout this term. When I asked some of our SASS staff what makes their job a special one this is what they told me.

Mrs Besseling and Mrs Ellis … “We love working at Huntingdon Public School!”

Mrs Besseling. “I love working at Huntingdon Public School because it’s such a happy school. You can always get a great smile, a hug, a joke and many other things that make my day great. The staff and pupils are always friendly.

Teaching the students is my favourite thing because I love to see the look on their faces when they learn something new on the computer. When they show me some of their finished work with lots of achievement I know I am doing the right thing and that makes me really happy.”

Mrs Carpenter. “Working in the office goes beyond paperwork and phone calls. A typical day can include putting a smile on a sad face, patching a skinned knee or lending a sympathetic ear. It is these unwritten duties that make this job such a joy”
Mrs Golding - “I have worked in schools since 1983 having commenced at Wellington Public School. I have worked in various roles and in different sized schools, however, at the moment I am relieving in the office at Huntingdon Public School and I am thoroughly enjoying every minute. Being in a small school gives opportunities not always available in a larger school, the interaction with the staff, children and parents is most rewarding."

Mr Alexander - “The thing that makes my job awesome is turning up in the morning and seeing the smiles on the children’s faces.”

Mrs Ellis - “What makes my job great? The wonderful people I work with and the gorgeous Huntingdon children of course!”

Mr David Anderson - I was a General Assistant at Byabarra Public School before it closed and I am currently at Port Macquarie Public School and Huntingdon Public School. I really look forward to coming to Huntingdon every Thursday, the atmosphere and camaraderie is amazing and seeing all the smiling faces of both staff and students is very rewarding.

MRS TROTTER’S FAREWELL DINNER ... Unfortunately, we have had to postpone Mrs Trotter’s Farewell Dinner which was to be held on Friday, 4th September, at Waterman’s Café until sometime early next term. We will let you know the new date as soon as we can finalise it with Mrs Trotter. We want to ensure that all staff and all parents who have indicated they would like to attend are able to do so.

SMALL SCHOOLS’ MYUNA BAY CAMP ... There are only 4 more sleeps before we leave!

Guess who’s looking forward to going to camp?

Excitement is mounting for all students who are attending the Small Schools’ Myuna Bay Camp with only a few days to go before we leave. A reminder that all students attending will need to be at Andrew’s Park on Monday morning by 7.00 am. Students will need their Crunch and Sip as we will be stopping for Morning Tea on the way to Myuna Bay. No fizzy drinks or lollies please!

Any students who are currently taking any medication, including motion sickness pills, will need to hand these to me on Monday morning, clearly labelled so I can administer them whenever needed while we are at camp.

Please note that students are not to bring mobile phones, jewellery or I-Pads as no responsibility for them will be taken if they are lost or broken. I will have the school’s mobile phone with me and can be contacted in case of an emergency or if we are delayed in traffic coming home.

Our school’s mobile phone number is: 0476 801 983

All students know which lodges they are in and who they are sharing a room with. They have also been shown the activities they will be participating in for the three days once we get to Myuna Bay. Students not attending the camp in the Upper Primary classroom will be working in Ms Oszpét’s and Mrs Elliott’s classrooms and they will have work to complete for the three days in a special Contact Folder.
CONGRATULATIONS MRS ELLIOTT!  Mrs Janet Elliott has been nominated by our school community for a National Excellence in Teaching Award and on behalf of everyone at our school I would like to congratulate her on such a wonderful achievement! Our students are very fortunate to be able to work with such a talented and caring teaching and SASS staff.

Mrs Elliott, Mrs Fewster and Ms Oszpet having fun at the Small Schools’ Soccer Gala Day.

OUR P & C MEETING … Many thanks to all parents who attended our P & C meeting on Monday, 24th August. It would have been wonderful to have a few more families attend and we will be looking at ways that we can increase more of our families to come along and contribute their ideas and suggestions.

At the meeting we discussed our schools’ needs, new uniforms, the school canteen and fund raising for the remainder of this term and in term 4. It was brought to my attention that quite a few families have not as of yet paid their P & C Contribution for 2015. This money is used to benefit your children.

A special note from our P & C will be sent home this week to all families. Many thanks to everyone who has already paid their P & C Contribution fee for 2015. It is greatly appreciated.

Mrs Jessica Cunningham has managed to get our school canteen funds back into profit.

SCHOOL HATS … With spring just around the corner please note that our school hats have had a price increase and will now sell for $15.

Emilie Luke knows we have a ‘no hat no play in the sun policy.’
FOOD FOR THOUGHT ... In my classroom I have seven inspirational posters on display. Here is the second one:

**ATTITUDE:** We cannot choose our external circumstances but we can always choose how we respond to them. (Anonymous)

ASTRONOMERS DAVID COOPER AND DAVID RENEKE VISIT ... On Monday, 24th August, local astronomers David Reneke and David Cooper were going to visit our school to talk to all of the students about our solar system. They were going to bring in some telescopes for the students to look through but because of the overcast sky and wet weather they had to postpone their visit and will now be coming in on Monday, 31st August instead.

SPECIAL SPACE DISPLAY AT SANCROX RESERVE ... After a busy Small Schools’ Soccer Gala Day last Friday I managed to get to Sancrox Reserve where there was a special Space display, Aboriginal dancing and storytelling as well as an array of telescopes and computer displays about our southern skies, planets and constellations. Despite the skies being partially cloudy it was great to see Mrs Elliott, Mrs Fewster and some of our families attend.

FATHER’S DAY AND SOMEONE SPECIAL RAFFLE TICKETS AND PORTRAITS ... Many thanks to all families who have already paid for their Father’s Day or Someone Special Portraits. These will be sent home next Friday.

A BIG thank you to our Huntingdon P & C for organising our Father’s Day – Someone Special Raffle. There are three great prizes to be won and the raffle ticket booklets were given out to all families during the week. We need all raffle tickets, both sold and unsold returned for the draw by Friday, 4th September please. Many thanks and good luck to all families who have purchased some tickets.

SMALL SCHOOLS’ SOCCER GALA DAY ... All Huntingdon students enjoyed participating in the Soccer Gala Day held last Friday, 21st August.

*We sure had fun!*

Huntingdon teams managed to bring home three trophies with the Scorpions and Hornets winning the Junior Championships. Congratulations!

The Cunningham, Hirst, Troth and Leslight Families were just a few who attended the Sancrox Reserve Space Night last Friday.
Huntingdon Funnelwebs and Redbacks won the Middle Age Division.

It was wonderful to see so many Huntingdon parents and families supporting the Huntingdon teams.

Can we keep it Mr Dobson?

Mrs Tammie Driver watched Tom play in the Senior Team.

Mr Axel Troth and Mr Ian Leslight cheered on our teams and helped take some great photographs of our players during the day.

Flinn Trommels and his family enjoyed the day.
Cooper Dick had mum Kathleen there to cheer his team on.

A special thank you to Mrs Janet Elliott for organising the Huntingdon Small Schools’ Soccer Gala Day teams and permission notes. I also have to thank all Huntingdon players for their determined efforts during the day. It certainly was a memorable day!

Calais Gavin and her mum Candice were all smiles after Calais’ team won the soccer trophy on the day.

WOOLWORTH’S EARN AND LEARN STICKERS ... Many thanks to all families who are continuing to send these in. It is appreciated! Once again, please be aware that Huntingdon Public School supports, whenever possible, our local businesses including the Hastings’ Co-Op Timbertown IGA.

KEILY’S ANIMAL ZOO ... As part of Keily Styles’ Upper Primary Weekly English theme on Animals the students brought in a selection of their favourite toy animals and we held a special Animal Show. Mrs Sharon Young was on hand to assist with the judging of the animal with the longest tail, the largest and smallest animal as well as the cutest animal.

Mrs Liz Wilmot briefly talked to the students about some of her volunteer work in WIRES and the work she and her husband Barry did with marine animal rescue with Mrs June and Mr Ron LaPla.

Matilda Bates and her mum Linda brought along an extra supporter.
Jorjia-Rose Styles and Amelia Paulson brought in their favourite toy animal.

SCHOOL PHOTOGRAPHS ... A reminder that our 2015 school photographs will be taken on Wednesday, 9th September at 9.00am. We will need everyone in school uniform on that day and the 2015 School Photograph Pre-Paid Envelopes and information about what packages are on offer have been forwarded to all families. Many thanks to all families who have already pre-paid and returned their orders forms. They need to be returned prior to the 9th September. Many thanks!

Happy birthday Patrick!

HAPPY BIRTHDAY WISHES TO ... Patrick McDonald who celebrates his birthday this Sunday, 30th August. Patrick has been counting down the days to this special event and I hope his birthday is a happy and memorable one!

Some great things have been happening in Ms Ozpet’s classroom and she will be sending home a special Kindergarten-Year 1 Classroom newsletter informing parents about some of the wonderful achievements and exciting things that have happened and will be happening for the remainder of this term and in Term 4.

KINDERGARTEN 2016 ORIENTATION DAYS ... Ms Oszpet is currently in the process of planning the Kindergarten Orientation Days which will take place during Term 4. To assist her with her planning and make the Kindergarten 2016 Orientation Days our most rewarding ever, Ms Oszpet will be sending home a short parents’ survey form for all parents with students in her classroom to complete. Your feedback will be valued and appreciated! Many thanks!

Keily couldn’t have a zoo without the BIG cats. This one was still little!
